To Whom It May Concern,

I am writing to provide a professional reference for James "Bo" Searcy, who has been employed with ABM as a diesel mechanic from 08/15/2022 to 08/12/2025.

During his three years of service, James consistently demonstrated exceptional technical skills, a strong work ethic, and a deep understanding of diesel engines and related systems. He has been responsible for diagnosing, repairing, and maintaining a wide range of diesel-powered vehicles and equipment, often completing complex repairs under tight deadlines without compromising quality or safety.

James's strengths include:

- Expert knowledge of diesel engine systems, hydraulics, and electrical diagnostics.
- Commitment to preventive maintenance and adherence to safety protocols.
- Strong problem-solving abilities and adaptability in challenging repair situations.
- Excellent teamwork and communication skills when coordinating with other mechanics, drivers, and management.

His professionalism, reliability, and dedication to delivering high-quality work has made him an invaluable member of our team. James has always approached each job with integrity and precision, ensuring vehicles and equipment are returned to optimal working condition.

I have no hesitation in recommending James for any position or opportunity in the diesel mechanic field. He would be an asset to any organization seeking a skilled, dependable, and detail-oriented technician.

If you require further information, please feel free to contact me at 502-656-6403 or jimmy.brannon@abm.com.

Sincerely,

A handwritten signature in black ink that reads 'Jimmy Brannon'. The signature is fluid and cursive, with a large, sweeping 'J' and 'B'.
